### **SPI Side Streets Improvements on Retama St. Begin**

**South Padre Island, TX, February 28, 2025:** The City of South Padre Island has begun improvements on Retama St., between Padre Boulevard and Gulf Boulevard. This development is part of the SPI Side Streets Improvement plan.

The project will take approximately three days to complete, weather permitting. Construction includes the installation of new asphalt and a fresh primer coat oil. Residents within the construction area are asked to park outside the zone on February 27 and 28, 2025, while the asphalt is being installed. Driveway and road access will be restored by March 1, 2025.

Access to immediate residences within the project area will be maintained during construction, but delays should be expected.

If you have any questions or concerns, please contact RBM Contractors L.L.C. at (956) 520-8707 or the City of South Padre Island (956) 761-8160.
