### INTRODUCTION

#### 1.1 **Description of City of South Padre Island (“The City”)**

1.2 South Padre Island lies on the southernmost tip of Texas and is situated on the south end of Padre Island, the longest Barrier Island in the world and the largest stretch of undeveloped ocean beach in North America. It sits just 30 miles north of Mexico and is linked to the mainland by a two and a half mile long bridge, the Queen Isabella Memorial Causeway.

1.3

The City of South Padre Island is home to an estimated 5,000 people, and according to the Convention and Visitors Bureau, over one million people visit the Island every year

The City of South Padre Island, Texas wishes to increase the size of their current convention facility which was built in 1992 in order to accommodate larger groups and functions. The City’s determination in such matters is final.

### **4.4 Time of Performance**

Time is of the essence in the rendering of services hereunder. Contractor agrees to perform all obligations and render services set forth per this Contract in accordance with the schedules herein and as mutually agreed upon between The City and Contractor during the term of this Contract.

Contractor has failed to make payments promptly to its consultants, subcontractors, suppliers, or other third parties used in connection with the goods or services for which The City has made payment to Contractor; or

If The City, in its good faith judgment, determines that the portion of the compensation then remaining unpaid will not be sufficient to complete the goods or services in accordance with this Contract, no additional payments will be due Contractor hereunder unless and until Contractor, at its sole cost, performs a sufficient portion of the goods and services so that such portion of the compensation then remaining unpaid is determined by The City to be sufficient to so complete the goods and services.

No partial payment made hereunder shall be or construed to be final acceptance or approval of that part of the goods or services to which such partial payment relates or relieve Contractor of any of its obligations hereunder with respect thereto.

Contractor shall promptly pay all bills for labor and material performed and furnished by others in connection with the performance of its obligations pursuant to this Contract.

The acceptance of Final Payment shall constitute a waiver of all claims by the Contractor except those previously made in writing and identified by the Contractor as unsettled at the time of the Final Request for payment.
