- Access: Muddy Bank
- Shoreline Environment: Mangroves and Bay Grass
- Future Plans: Minor Access Improvement
- Zone: Residential

Georgia Ruth

- Access: N/A
- Shoreline Environment: Mangroves
- Future Plans: Leave Natural
- Zone: Commercial
- Environment: Inlet

Verna Jean

- Access: Grassy Bank
- Shoreline Environment: Oysters and Mangroves
- Future Plans: Leave Natural
- Zone: Commercial
- Environment: Inlet

Polaris

- Access: Ramp
- Shoreline Environment: Oyster Reef
- Future Plans: In Place
- Zone: Commercial

Aries

- Access: Rip Rap
- Shoreline Environment: Mangroves and Bay Grass
- Future Plans: Restoration
- Zone: Commercial

Capricorn

- Access: Rip Rap
- Shoreline
Environment: Oysters
- Future Plans:
Restoration
- Zone: Commercial
- Environment: Inlet

Constellation

- Access: Bulkhead
- Shoreline Environment: Mangroves
- Future Plans: Restoration
- Zone: Commercial
- Environment: Inlet

Mars

- Access: Bulkhead
- Shoreline Environment: Mangroves
- Future Plans: Minor Work
- Zone: Commercial

Jupiter

- Access: Bulkhead
- Shoreline Environment: Mangroves
- Future Plans: Minor Work
- Zone: Commercial

Venus

- Access: N/A
- Shoreline Environment: Mangroves and Bay Grass
- Future Plans: Minor Work
- Zone: Commercial
- Environment: Inlet

Saturn

- Access: N/A
- Shoreline Environment: Mangroves
- Future Plans: Minor Access
- Zone: Commercial
- Environment: Inlet

Esperanza

- Access: Bulkhead
- Shoreline Environment: N/A
- Future Plans: Restoration
- Zone: Residential
- Environment: Inlet

Hibiscus

- Access: Rip Rap
- Shoreline Environment: N/A
- Future Plans: Restoration
- Zone: Residential
- Environment: Inlet

Gardenia

- Access: Rip Rap
- Shoreline Environment: N/A
- Future Plans: Restoration
- Zone: Residential
- Environment: Inlet

Oleander

- Access: Rip Rap
- Shoreline Environment: Oysters, Bay Grass, and Mangroves
- Future Plans: Minor Access
- Zone: Residential

Lantana

- Access: Bulkhead
- Shoreline Environment: Oysters and Bay Grass
- Future Plans: Minor Work
- Zone: Residential

Huisache

- Access: Rip Rap
- Shoreline Environment: Oysters and Mangroves
- Future Plans: Restoration
- Zone: Residential

Mezquite

- Access: Bulkhead
- Shoreline Environment: Oysters
- Future Plans: Minor Access
- Zone: Residential

Retama

- Access: Plain Bulkhead
- Shoreline Environment: N/A
- Future Plans: N/A
Thompkins Channel
- Zone: Residential
- Environment: Bulkheaded

Atol

- Access: Plain Bulkhead
- Shoreline Environment: N/A
- Future Plans: N/A
Thompkins Channel
- Zone: Residential
- Environment: Bulkheaded

Bahama

- Access: Plain Bulkhead
- Shoreline Environment: N/A
- Future Plans: N/A
Thompkins Channel
- Zone: Residential
- Environment: Bulkheaded

Campeche

- Access: Plain Bulkhead
- Shoreline Environment: N/A
- Future Plans: N/A
Thompkins Channel
- Zone: Residential
- Environment: Bulkheaded

Acapulco

- Access: Plain Bulkhead
- Shoreline Environment: N/A
- Future Plans: N/A
Thompkins Channel
- Zone: Residential
- Environment: Bulkheaded

Kingfish

- Access: Ramp
- Shoreline Environment: N/A
- Future Plans: N/A
- Zone: Commercial
- Environment: Bulkheaded

Dolphin

- Access: Grassy Slope
- Shoreline Environment: Oysters and Mangroves
- Future Plans: Major Access
- Zone: Commercial

Swordfish

An aerial photograph of a coastal city, likely Miami, showing a dense grid of streets, residential buildings, and a large body of water. The city is built on a narrow strip of land, with a beach and ocean on the left and a large bay or inlet on the right. The image is slightly hazy, suggesting a high-angle view from a distance.

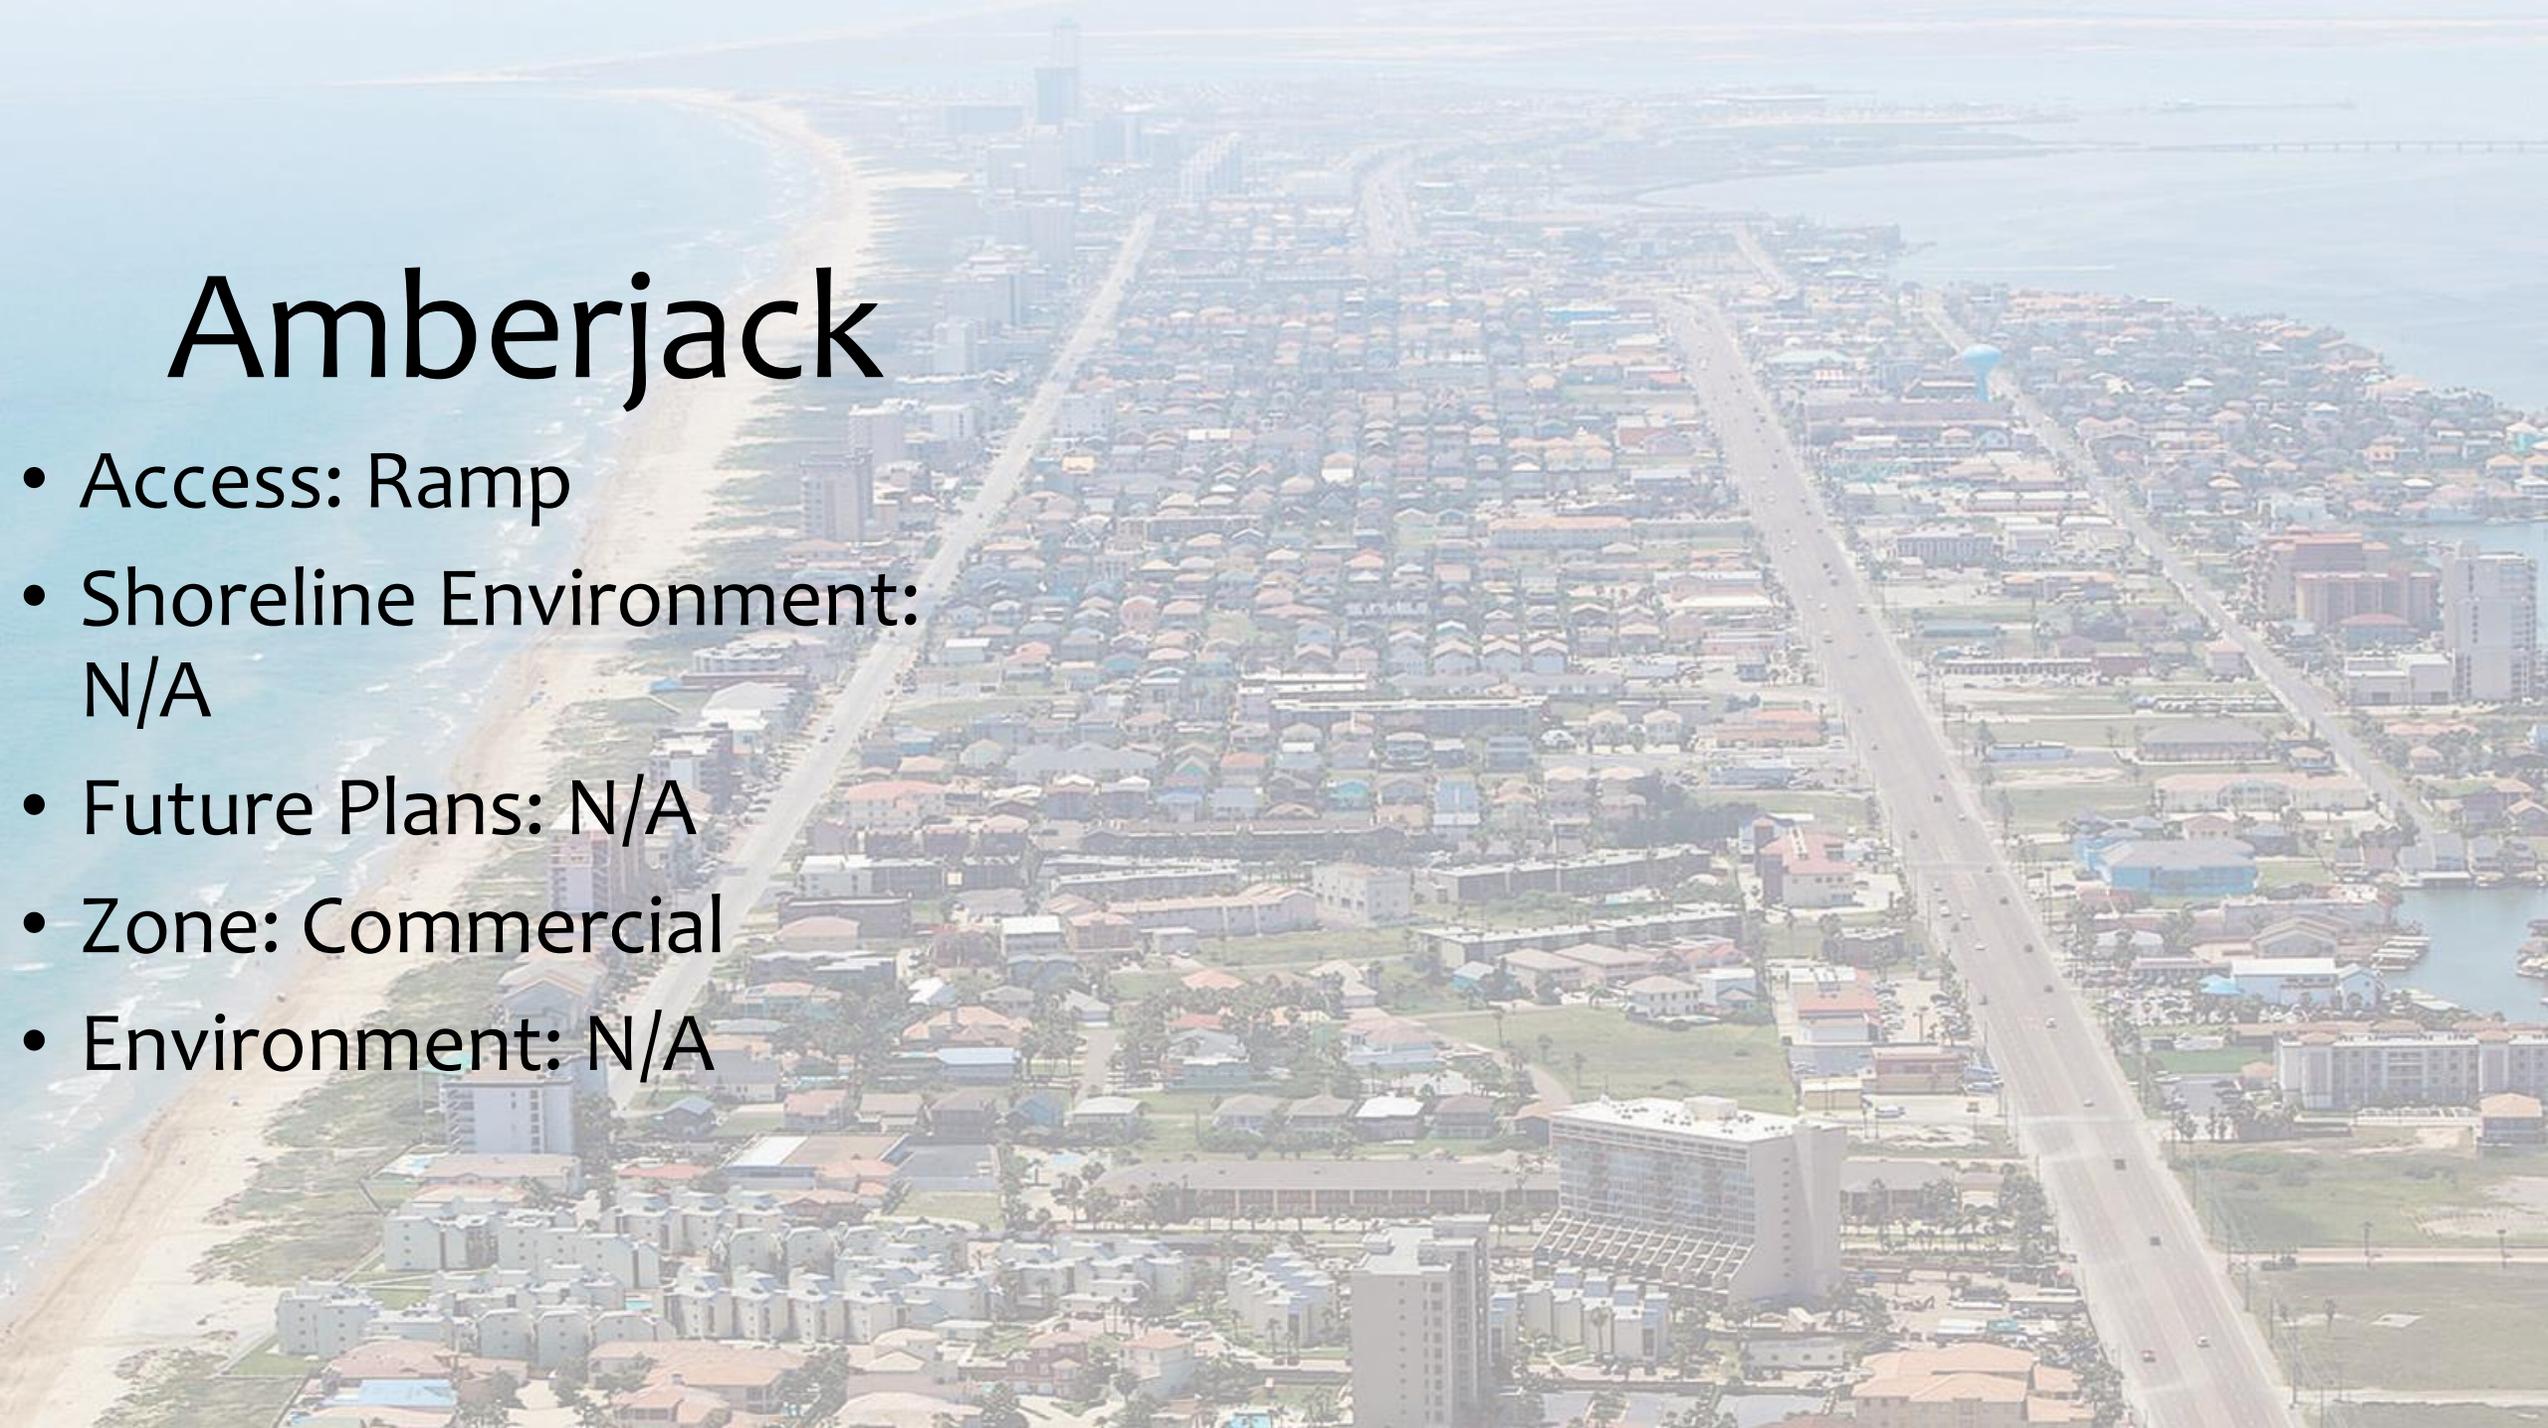

- Access: Ramp
- Shoreline Environment: N/A
- Future Plans: N/A
- Zone: Commercial
- Environment: N/A

Whiting

An aerial photograph of a coastal city, likely Whiting, showing a dense grid of streets and buildings. A wide beach is visible on the left side, and a large body of water is on the right. The city is built on a narrow strip of land, with a prominent road running parallel to the beach and another running parallel to the water. The buildings are mostly multi-story structures, and there are some green spaces interspersed among the buildings.

- Access: Private
- Shoreline Environment: N/A
- Future Plans: N/A
- Zone: Commercial
- Environment: N/A

Amberjack

An aerial photograph of a coastal city, likely Amberjack, showing a dense grid of streets and buildings. A wide beach is visible on the left side, and a large body of water is on the right. The city is built on a narrow strip of land, with a prominent road running parallel to the beach and another running parallel to the water. The buildings are mostly multi-story structures, and there are some green spaces interspersed among the buildings.

- Access: Ramp
- Shoreline Environment: N/A
- Future Plans: N/A
- Zone: Commercial
- Environment: N/A

Pike

An aerial photograph of a coastal city, likely Miami Beach, showing a dense grid of streets and buildings. A wide beach and ocean are visible on the left side. The city extends inland, with a mix of residential and commercial buildings. A large highway runs parallel to the beach on the right side of the image.

- Access: Plain Bulkhead
- Shoreline Environment: N/A
- Future Plans: Restoration
- Zone: Commercial
- Environment: Bulkheaded

Marlin

An aerial photograph of Marlin, Texas, showing a dense residential area with a grid of streets. The town is situated along a body of water, with a large beach area visible on the left side. The buildings are mostly single-story houses with red roofs, interspersed with some taller commercial buildings. A prominent road runs diagonally through the center of the town. The water in the background is a light blue color, and the sky is clear.

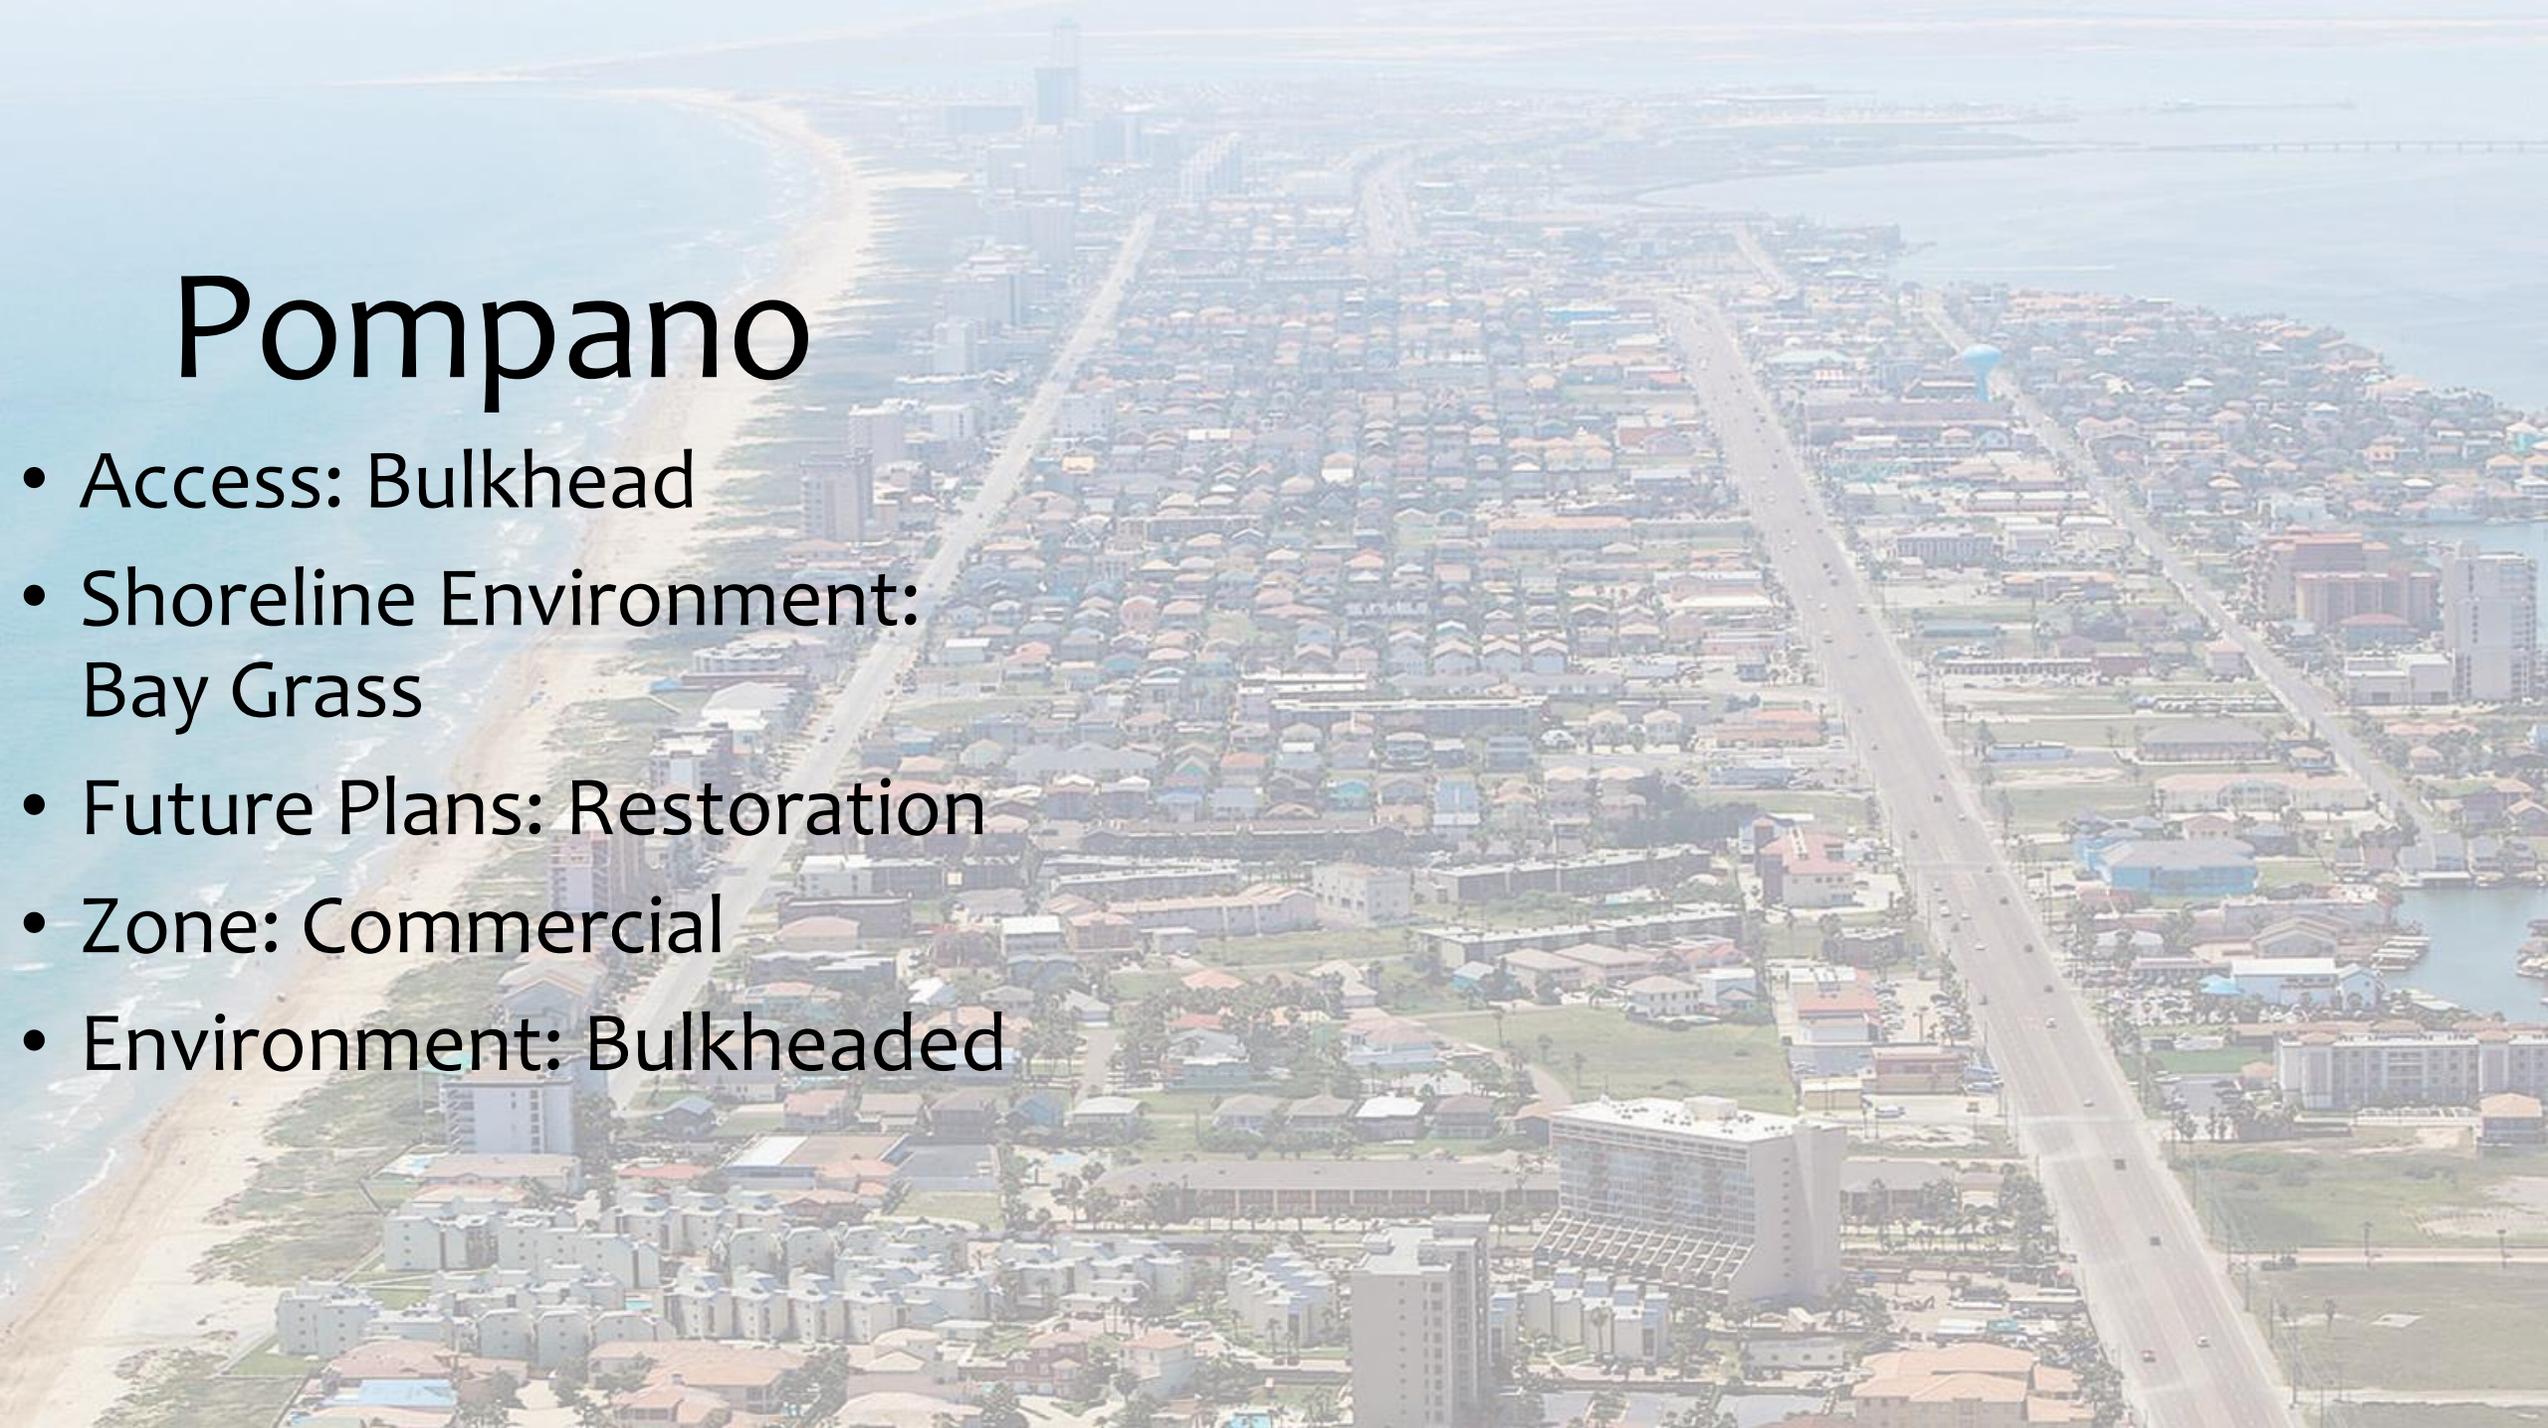

- Access: ramp
- Shoreline Environment: N/A
- Future Plans: N/A
- Zone: Commercial
- Environment: Bulkheaded

Tarpon

An aerial photograph of Tarpon, Florida, showing a dense residential and commercial area. The town is characterized by a grid of streets and numerous houses with red-tiled roofs. A large body of water, likely the Gulf of Mexico, is visible on the left side of the image, with a sandy beach area. In the background, a long bridge spans across the water. The overall scene is a mix of urban development and coastal environment.

- Access: Bulkhead
- Shoreline Environment: Oysters and Bay Grass
- Future Plans: Restoration
- Zone: Commercial
- Environment: Bulkheaded

Pompano

An aerial photograph of Pompano Beach, Florida, showing a dense grid of streets and residential buildings. The beach is visible on the left side, and the ocean is in the background. The image is slightly faded to allow text to be overlaid.

- Access: Bulkhead
- Shoreline Environment: Bay Grass
- Future Plans: Restoration
- Zone: Commercial
- Environment: Bulkheaded

Sheepshead

- Access: Bulkhead
- Shoreline Environment: Bay Grass
- Future Plans: Restoration
- Zone: Commercial
- Environment: Bulkheaded

Corral

An aerial photograph of a coastal city, likely San Diego, showing a dense grid of streets and buildings. A prominent beach and ocean are visible on the left side. The city extends inland, with various residential and commercial buildings. A large body of water is visible on the right side, possibly a bay or harbor.

- Access: Bulkhead
- Shoreline Environment: Oysters and Bay Grass
- Future Plans: Major Access
- Zone: Commercial
- Environment: Bulkheaded
