

July 2, 2024

The City of South Padre Island is granting umbrella vendors and **THE GENERAL PUBLIC** permission to place chairs and shade devices on the public beach starting at 8:30 a.m. on July 4, 5, 6, and 7.

This accommodation aims to facilitate and support requests made to the City as it relates to current heat advisories in our area as we go into the holiday weekend.

Other than this 30-minute exception, please adhere to City Ordinance Chapter 13, Section 13-24, pertaining to your umbrella permit and any other applicable ordinances. For your convenience, we have attached a link to Section 13-24 below.
