## Shoreline Department tackling the tar

Thank you to our Shoreline Team for all their efforts in monitoring and removing the tarballs! Read more about the City's efforts [here](#).

If you come in contact with tar, washing the area with dish soap or baby oil is an effective removal option.

Sightings can be reported to the GLO's Spill Division at 1-800-832-8224.

## Paw Print Pet of the Week Paw Print

Jameson is a 6-month-old male pup that was found on the Island and never claimed. He loves dogs and humans, is working on his doggy manners, and is being house-trained. He is up to date on all vaccinations, microchipped, and will be neutered soon. Meet all the animals at FOAR, on 4908 Padre Blvd, between 10 AM - 5 PM. Complete the online adoption application [here](#).
